How to use Atlantic Fluid Tech smartphone app

1- Install the app to your favourite store.
Android: <u>http://www.atlanticfluidtech.com/androidstore</u>
Apple: <u>http://www.atlanticfluidtech.com/applestore</u>

2- Start the app.

3- Select the chapter of your interest using your finger to swipe right or left.

4- Select "Download" to download that specific section to our section.

5- After download you can "View" the section or "Delete" it.

6- When you see the chapter you can swipe in page or in bottom bar. If you prefer you can select by index or search function in top bar.

7- In index mode you can select a page using a scroll by our description. In Search mode you can digit our item code if you have.
